Hello Everyone,

The issues of modernizing LAX and **(not)** moving the runway will be heard at City Hall this Tuesday at 2:30 pm during a Joint Planning & Land Use Management and Trade, Commerce & Tourism Committees Special Meeting. This is the next step before the full City Council will hear the issue.

You can view the agenda at the link below:

http://ens.lacity.org/clk/committeeagend/clkcommitteeagend2681775_04092013.pdf

This will be an opportunity to educate many of the members of the City Council and to offer your opinions during the public comment periods.

We're looking forward to seeing you and encouraging people to car pool - I can arrange parking if you send me the make, model, color and license plate # of your vehicle by Monday at 2pm.

Thanks, and let me know if you have any questions or concerns. We can do this!
-Nate
